COVENANT MEMBER UPDATE

Covenant Member Update is designed to help the Elders of Pennington Park shepherd the flock God has entrusted to them and to remind us of our commitment to one another as church members. To support their shepherding efforts, **we want to ensure we have the most up-to-date information for every member**.

Additionally, our Elders believe that shepherding by leading, feeding, protecting, and knowing our people is an essential aspect of being biblical and responsible elders.

As a part of that vision we are asking each member to complete a **Covenant Member Update form in order to provide our Elders with up-to-date information about all of our members.** As you complete the Covenant Member Update, we also hope you will take an opportunity to re-read the **Member Covenant** and remind yourself of the commitments that members of Pennington Park have made to one another.
