INDEPENDENT ACCOUNTANT'S REVIEW REPORT

Board of Directors
Pennington Park Church, Inc.
Fishers, Indiana

We have reviewed the accompanying financial statements of Pennington Park Church, Inc. (the "Church"), which comprise the statements of financial position as of March 31, 2021 and 2020, the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

PENNINGTON PARK CHURCH

NOTES TO FINANCIAL STATEMENTS

March 31, 2021

NOTE 1 NATURE OF BUSINESS AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

Pennington Park Church (the "Church") was incorporated August 29, 2018 in the state of Indiana as a not-for-profit entity, and is located in Fishers, Indiana. The Church is a nondenominational, Christian fellowship that exists to A. Exalt the Lord Jesus Christ as the Son of God, the Savior of the world, and the Head of His Church; B. Establish a local congregation of believers patterned after the New Testament church and obedient to the teaching of the Scriptures; and C. Build and advance the universal Church of which Christ is the Head. The Church is supported exclusively through donor contributions.

The Church is a multi-ministry outreach with ministry emphasis in the areas of outreach and missions; worship and arts; children and youth programs and activities; small group programs, special events, and other activities; and other pastoral services.

A summary of the Church's significant accounting policies are as follows:

A. Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting.

B. Basis of Presentation

These financial statements have been prepared to focus on the entity as a whole and to present transactions according to the existence or absence of donor-imposed restrictions in conformity with accounting principles generally accepted in the United States of America. This has been done by classification of fund transactions and balances into two categories of net assets:

Net Assets without donor restrictions: These net assets generally result from revenues generated by receiving contributions that have no donor restrictions, providing services, and receiving interest from operating investments, less expenses incurred in providing program-related services, raising contributions, and performing administrative functions.

Net Assets with Donor Restrictions: These net assets result from gifts of cash and other assets that are received with donor stipulations that limit the use of the donated assets, either temporarily or permanently, until the donor restriction expires, that is until the stipulated time restriction ends or the purpose of the restriction is accomplished, the net assets are restricted.

C. Concentration of Credit Risk

The Church maintains its cash balances with The Farmer's Bank. The demand deposit accounts with The Farmer's Bank are insured by the Federal Deposit Insurance Corporation up to the maximum amount prescribed by law per institution. The balance may at times exceed the insured limits. To date, there have been no losses on such accounts.

D. Property and Equipment

Property and equipment are stated at cost, if purchased, or at fair market value at the date of contribution. The Church's capitalization policy is \$5,000 for assets purchased with an estimated useful life of three years or more.

PENNINGTON PARK CHURCH

NOTES TO FINANCIAL STATEMENTS

March 31, 2021

NOTE 1 NATURE OF BUSINESS AND SIGNIFICANT ACCOUNTING POLICIES - continued

D. Property and Equipment - continued

Depreciation is provided using the straight-line method over the estimated useful lives of the assets. Estimated useful lives for furniture and equipment range from 3 to 7 years and buildings and improvements range from 15 to 40 years.

Expenditures for property and equipment and for renewals or betterments which extend the originally estimated economic life of the assets are capitalized. Expenditures for maintenance and repairs are charged to expense. When an asset is retired or otherwise disposed of, the cost and accumulated depreciation are removed from the accounts and any gain or loss is included in the statement of revenues, expenses, and changes in net assets.

The Church reviews long-lived assets, including property and equipment, for impairment whenever events or changes in circumstances indicate that the carrying value may not be fully recoverable. If impairment is present, the carrying value of the impaired asset is reduced to its fair value. During the years ended March 31, 2021 and 2020, there was no impairment loss recognized on long-lived assets.

E. Support, Revenue, Reclassifications, and Expenses

Contributions are reported when made, which is generally when cash is received, unconditional promises are made, or ownership of donated assets is transferred to the Church. Bequests are reported as support at the time the Church has established a right to the bequest and the proceeds are measurable. The Church's ministry could not be fully achieved without the dedicated efforts of many volunteers. These contributed services are not reported as they do not meet the "specialized skills" requirement under current accounting standards. Revenues are reported as income when earned and expenses are reported when incurred.

Reclassifications represent funds released to net assets without donor restrictions from net assets with donor restrictions when expenses have been incurred in satisfaction of those donor restrictions.

F. Tax Status

The Church is exempt from federal and state income taxes on its related activities under Internal Revenue Service Code Section 501(c)(3). Accordingly, no provision for federal and state income taxes has been made.

Under the provisions of Section 501(c)(3) churches are not required to file a federal income tax return (Form 990) so long as the church retains its tax-exempt status and does not conduct any unrelated activities. The Church believes its tax-exempt status is in good standing and has not participated in any unrelated activities.

G. Functional Expenses

Expenses are reported when incurred. In the statements of functional expenses, costs not specifically related to program services are allocated in accordance with management's estimates of program support requirements.

PENNINGTON PARK CHURCH

NOTES TO FINANCIAL STATEMENTS

March 31, 2021

NOTE 1 NATURE OF BUSINESS AND SIGNIFICANT ACCOUNTING POLICIES - continued

G. Functional Expenses - continued

Salaries and related expenses are charged to program services based upon estimated time spent by personnel on the related programs. Direct expenses are charged to the various programs. Occupancy expenses are allocated based upon actual utilization of space. The remaining indirect costs are allocated using both statistical and non-statistical methodologies.

H. Significant Accounting Estimates

The preparation of the Church's financial statements in accordance with accounting principles generally accepted in the United States of America requires the Church to make estimates and assumptions that affect certain reported amounts and disclosures, primarily related to the estimated useful lives of the Church's facilities. Accordingly, actual results could differ from those estimates.

On January 30, 2020, the World Health Organization declared the coronavirus outbreak a "Public Health Emergency of International Concern" and on March 10, 2020, declared it to be a pandemic. Actions taken around the world to help mitigate the spread of the coronavirus include restrictions on travel, quarantines in certain areas, and forced closures for certain types of public places and businesses. The coronavirus and actions taken to mitigate it have had and are expected to continue to have an adverse impact on the economies and financial markets of many countries, including the geographical area in which the Church operates. It is unknown how long these conditions will last and what the complete financial effect will be to the Church. The Church's concentrations due to grantors or contributors; concentrated revenue from particular programs, services or fund-raising events; and the market or geographic area in which the Church conducts operations make it reasonably possible that the Church is vulnerable to the risk of a near-term severe impact.

Additionally, it is reasonably possible that estimates made in the financial statements have been, or will be, materially and adversely impacted in the near term as a result of these conditions.

I. Reclassifications

Certain prior year balances have been reclassified to conform with current year classifications and presentations.

J. Evaluation of Subsequent Events

The Church's management has evaluated subsequent events through June 22, 2021, which is the date the financial statements were available to be issued.

NOTE 2 RECENTLY ADOPTED ACCOUNTING PRONOUNCEMENTS

In August 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2016-14, Presentation of Financial Statements of Not-For-Profit Entities. The standard aims to improve nonprofit financial statements in an effort to provide more useful information to donors, grantors, creditors and other users.

PENNINGTON PARK CHURCH

NOTES TO FINANCIAL STATEMENTS

March 31, 2021

NOTE 2 RECENTLY ADOPTED ACCOUNTING PRONOUNCEMENTS - continued

Major components of this standard include: net asset classifications, liquidity and availability of cash and consistency in reporting expenses. Net asset classifications has been reduced from three classes (unrestricted, temporarily restricted and permanently restricted) to two: net assets with donor restrictions and net assets without donor restrictions. Updated disclosure requirements are presented regarding risk exposure and availability of cash for short term use. Expenses are reported by both their natural and functional classification to aid in the usefulness of financial statements. The Church adopted this standard for the year ending March 31, 2020 and applied it retrospectively.

In May 2014, the FASB issued ASU No. 2014-09, Revenue from Contracts with Customers. The standard's core principle is that an organization will recognize revenue when it transfers promised goods or services to customers in an amount that reflects the consideration to which the Church expects to be entitled in exchange for those goods or services. This standard also includes expanded disclosure requirements that result in an entity providing users of financial statements with comprehensive information about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contract with customers. The Church adopted this standard for the year ending March 31, 2020. These changes did not have a material impact on the financial statements.

NOTE 3 RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS

In February 2016, the FASB issued ASU 2016-02, Leases. The standard requires all leases with lease terms over 12 months to be capitalized as a right-of-use asset and corresponding lease liability on the statement of financial position at the date of the lease commencement. Leases will be classified as either finance or operating, and this distinction will be relevant for the pattern of expense recognition in the statement of activities. This standard will be effective for the entity for the year ending March 31, 2023. The Church is currently in the process of evaluating the effect of adoption of this ASU on its financial statements.

NOTE 4 LIQUIDITY AND AVAILABILITY

The following reflects the Church's financial assets as of March 31, 2021 and 2020, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of the statement of financial position date. Financial assets are considered unavailable when illiquid or not convertible to cash within one year. The Church considers general expenditures related to its ongoing ministry and outreach activities during the normal course of the year as well as the conduct of services undertaken to support those activities.

PENNINGTON PARK CHURCH

NOTES TO FINANCIAL STATEMENTS

March 31, 2021

NOTE 4 LIQUIDITY AND AVAILABILITY - continued

The table below represents financial assets available for general expenditures within one year at March 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Financial assets at year-end:		
Cash	\$ 486,332	\$ 235,859
Total financial assets	<u>486,332</u>	<u>235,859</u>
Less amounts not available to be used within one year		
Donor-imposed restrictions	(2,108)	(1,663)
Board-designated restrictions	<u>(141,277)</u>	<u>(143,836)</u>
Financial assets not available to be used within one year	<u>(143,385)</u>	<u>(145,499)</u>
Financial assets available to meet general expenditures within one year	<u>\$ 342,947</u>	<u>\$ 90,360</u>

The Church is substantially supported by contributions, which at times are received with restrictions. Those contributions with donor restrictions require resources to be used in a particular manner or in a future period. The Church must maintain sufficient resources to meet those responsibilities to its donors. Thus, financial assets may not be available for general expenditures within one year.

The Church manages its liquidity and reserves following three guiding principles: 1.) operating within a prudent range of financial soundness and stability, 2.) maintaining adequate liquid assets to fund near-term operating needs, and 3.) maintaining sufficient reserves to provide reasonable assurance that long-term commitments and obligations will continue to be met.

NOTE 5 PROPERTY AND EQUIPMENT

Property and equipment consisted of the following as of March 31:

	<u>2021</u>	<u>2020</u>
Land	\$ 2,113,048	\$ 2,113,048
Buildings	7,414,181	-

NOTE 6 EMPLOYEE BENEFIT PLANS

The Church has established a 403(b) plan for all regular full-time employees and part-time employees who regularly work at least twenty hours per week. The Church matches all employee contributions up to 7 percent of an employee's gross salary. Church contributions were \$28,857 and \$22,921 for the years ended March 31, 2021 and 2020, respectively.

The Church also provides its full-time employees with the following benefits: group life insurance, group accidental and medical insurance, group long-term care, and employer paid medical insurance premiums. Church expenses for these other benefits were \$102,119 and \$83,367 for the years ended March 31, 2021 and 2020, respectively.

NOTE 7 LETTERS OF CREDIT

The Church had two Letters of Credit with The Farmers Bank with a maximum debt facility of \$237,861 available through February 6, 2021 for bonding related to the construction of the Church. At March 31, 2021 and 2020, there were no amounts outstanding on the letters of credit.

On May 1, 2020, the Church applied for and was approved for a \$58,570 letter of credit from The Farmers Bank for bonding required by the City of Fishers for erosion and sediment control, and right-of-way improvement. The letter of credit bears interest at 2.75%, plus one-month LIBOR, and matures on May 1, 2023. The letter is secured by the Church building. At March 31, 2021, there was no outstanding balance on the letter.

NOTE 11 PAYCHECK PROTECTION PROGRAM

In March 2020, Congress established the Paycheck Protection Program ("PPP") to provide relief to small businesses during the coronavirus pandemic ("COVID-19") as part of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act. The legislation authorized the Treasury to use the Small Business Association's ("SBA's") 7(a) small business lending program to fund forgivable loans that qualifying businesses could spend to cover payroll, mortgage interest, rent, and utilities during the "Covered Period" defined as the 8-week period starting on the date the PPP loan proceeds are received. Upon meeting certain criteria as specified in the PPP program, the loans are eligible for partial or total forgiveness.

On June 5, 2020, the PPP Flexibility Act of 2020 (the "Act") was signed into law, giving borrowers flexibility with certain criteria under the PPP program including extension of the Covered Period to 24 weeks from 8 weeks, reduction to 60% of the payroll costs requirements (previously 75%), extension of the payment deferral period, extension of the full-time equivalent ("FTE") restoration deadline to December 31, 2020, and safe harbor provisions to remove the FTE reduction in forgiveness under limited circumstances.

In June 2020, the AICPA issued Technical Question and Answer ("TQA") 3200.18, Borrower Accounting for a Forgivable Loan Received Under the Small Business Administration Paycheck Protection Program. The TQA addresses accounting for nongovernmental entities that are not Not-For-Profits, i.e. business entities, that believe the PPP loan represents, in substance, a grant that is expected to be forgiven, it may account for the loan as a deferred income liability. The TQA further states that if such an entity expects to meet the PPP's eligibility criteria and concludes that the PPP loan represents in substance, a grant that is expected to be forgiven, it may account for such PPP loans in accordance with FASB ASC 958-605 as a conditional contribution.

NOTE 11 PAYCHECK PROTECTION PROGRAM - continued

The Church applied for and received proceeds of \$102,500 through the PPP program on April 10, 2020, prior to the enactment of the Act. The Church has determined both through internal calculations and those provided by the AICPA's forgiveness model, that all criteria for forgiveness based on both the CARES Act and the Act have been met. The Church applied for and received forgiveness as of February 16, 2021 for 100% of the loan. The Church considers the PPP loan as revenue and has recorded the proceeds as revenue as of March 31, 2021.

The Organization incurred the following costs related to and compensated through the PPP proceeds and which were forgiven in its entirety:
