

SERMON APPLICATION GUIDE

REACH|21

Matthew 24:3-14

November 21, 2021

DISCUSSION 1: GLOBAL OUTREACH

1. What are your typical responses or things you feel when you hear about global missions? Excited, guilty, annoyed, overwhelmed, etc.? Why?
2. Have you even participated in a short or long-term mission trip or vision trip? Where do you go and what did you do? How has that shaped your view of God's work in the world?
3. What are other ways you've supported or participated in global missions in the past?

DISCUSSION 2: ESCHATOLOGY AND MISSIONS

1. Why should the return of Jesus push us towards personal evangelism and global outreach?
2. Why don't we have more urgency when it comes to praying for, supporting, or participating in God's desire to see the gospel reach all nations?
3. How does the vision of all tribes and tongues worshipping Christ together on the new earth reveal God's heart for the world? How might it motivate our own support of and participation in missions?

DISCUSSION 3: APPLICATION

1. Was there anything that challenged or encouraged you related to missions from this week's sermon and text?
2. What are ways you might be more involved with and support global missions in general and our missionaries in particular?
3. How can you be praying for the Christmas offering and for our missionaries?
4. What is one step you can take this month to keep global missions in front of your more, or what is one way you can respond to what we talked about with global mission?
