Day Four:

Wordless Gospel bracelets and Magnets and Scratch Crosses

Supplies:

- Crosses to scratch off
- Magnets
- Beads
- Pipe cleaners
- Crayons or markers

Wordless Gospel Rhyme:

**My heart was dark with sin until the Savior came in.
His precious blood I know has washed me white as snow.
And in God's Word I'm told I'll walk the street of gold.
To grow in Christ every day, I read my Bible and pray.**

Craft directions:

1. First, talk the kids through the Gospel using the beads and the rhyme. Have them place the beads in order on the pipe cleaners to make bracelets. Have them turn to the kid next to them and practice saying what each bead means.
2. Give the kids the crosses to scratch a design into. Ideas: could write Jesus is the Son of God, Jesus loves Me, or a design.
3. Pack little white bags for the kids for their crosses, their bracelets if they don't want to wear them, the paper explaining the beads' meaning, and a magnet. Please also include an invitation card to our church. The kids can color the magnet if time allows. Write the kids' names on the outside of the bags for easy pick up at the end of the club.
